Tasks for Georgia:

Put water bottles in drinks tub with ice and put near ceremony but out of the way

Move flowers from ceremony to main area- two big urns from start of aisle to out front of homestead door on gravel (near where the cake stand will be)

Get a few boys to help move ceremony chairs to main area

Check in with bar staff regarding alcohol levels

Ask bar staff when not busy to empty bins and restock eskies

Promote good vibes amongst guests, remind them to write in guestbook and take photos, use disposable film camera (put flash on when dark)

Ensure Clay, bar staff, photographer (Ali) are happy and hydrated during the night.

If we run out of glasses might need to rinse some inside.

Use film/polaroid camera and take some photos of guests if you have time / get people to sign guest book

Set alarm to put sausage rolls in and out of the oven.

Place leftover wedding cake in containers to the inside fridge/ glad wrap wedding cake and put in fridge

Keep an eye on the dance floor if gets too wet give a quick mop or direct bar staff to do.

Wrap majority of (keep around 5 bunches) table flowers in tissue paper/butchers' paper and give to any guests willing to take when leaving

If anyone is not having fun or contributing to the fun ask them to leave.

Show "mum" guests where they can pump if required.

Herd people to the bus.

Give emesis "vomit" bag to anyone who looks too pissed as they get on the bus.

Thank bus driver once all the guests are on the bus.

Enjoy yourself and have fun.
